SUMMARY

I am an experienced DevOps and Cloud Engineer with 3 years in automating deployments and managing cloud infrastructure. I excel in CI/CD pipelines using tools like Jenkins and Docker, and possess a deep knowledge of AWS and Azure. My key achievements include significantly reducing deployment times and optimizing cloud costs, demonstrating my commitment to improving system reliability and efficiency.

EXPERIENCE

DevOps Engineer 01/2021 - Present
Cloud Solutions Inc. City, State

- A company specializing in cloud-based solutions for various clients.
- Automated deployment pipelines, reducing deployment time by 50%.
 - Managed cloud infrastructure on AWS, resulting in a 30% reduction in operational costs.
 - Enhanced system reliability by implementing rigorous monitoring and alerting systems.

Cloud Engineer 06/2020 - 12/2020
Tech Innovations LLC City, State

- A tech startup focusing on innovative software and infrastructure solutions.
- Developed and maintained CI/CD pipelines using Jenkins, Docker, and Kubernetes.
 - Participated in infrastructure provisioning using Terraform, streamlining the deployment process.
 - Collaborated with development teams to optimize application performance.

EDUCATION

Bachelor of Science in Computer Science 09/2016 - 06/2020
University of Technology City, State

LANGUAGES

English Native ●●●●●

STRENGTHS

- Process Automation**
Proven ability to automate complex processes and improve operational efficiency.
- Cloud Expertise**
Strong knowledge of various cloud providers and their services.
- Cost Optimization**
Ability to manage and optimize infrastructure cost effectively.

KEY ACHIEVEMENTS

- Reduced Deployment Time**
Successfully reduced deployment time from 30 minutes to 15 minutes through automation.
- Automated Infrastructure Provisioning**
Automated infrastructure provisioning, leading to a significant increase in deployment frequency.

SKILLS

- Hard Skills**
- CI/CD Pipelines • AWS • Azure • Docker •
Kubernetes • Jenkins • Terraform •
Linux Administration
- Soft Skills**
- Effective Communication •
Team Collaboration • Problem Solving
